Will do. What is the time line for getting back to USM. I will be going on vacation on Feb. 20th, and will be out for 3 weeks. But, I have time to work on review this week, or find someone else to help in my absence.

Audrey

Hello Audrey and Carolyn,

Carolyn and I just had a check in on USM. She needs to work with you on communicating technical issues with the work performed. Please work together to get this going. We need to make sure our feedback is timely and not let it go. Also Carolyn will be reaching out to DEP to discuss some DEP type issues/questions and we should do that as soon as possible as well. Thanks

Dan Wainberg
